BOXCLEVER
Mentoring

BoxClever have been running free boxing sessions for young people with an additional need at the Westminster School.

These sessions have been well attended and as a result, BoxClever are hosting a special showcase event to give their boxers the chance to perform the skills they have been working on in front of an audience.

The event will be like any other boxing show, with an MC to announce each participant to the ring, entrance music played by the DJ, a boxing ring for the boxers to perform in and a crowd to show their appreciation.

Tickets are on sale now and it would be great to see as many people there as possible to show their support for the young people – thank you!
